## **Profile**

London based camera operator with a wide range of skills in studio and outside broadcasts. Working in multi camera setups in both pedestal and hand held camera work. I enjoy working as part of a professional team and I always maintain a high standard of work.

## **History**

Gained a BA (Hons) in Media Practice from the University of Glamorgan in July 2001. I began as camera assistant at The London Studios in 2003 where I spent a year training. I began freelancing in 2004 as junior camera operator before moving into full time camera operating.

## **Additional Information**

Full, clean UK driving license with own transport

Completion of health and safety and studio grid courses

A keen interest in travel

Avid sports fan including ice hockey.
